01 Serene

Serene reveals itself through the light and harmonious material combinations of white oak tones, white stone-inspired Duxton, ivory porcelain tile and tonal flooring. Subtle textures and natural tones interplay and provide new sensory experiences throughout the changing light of the day, creating transformative spaces that are designed to function and evolve with you over time.

02 Balanced

Inspired by the surrounding mountains, forests, and rivers, Balanced evokes the natural beauty of nature in a warm palette of grey oak, sandstone, and natural stone. Inspired Dekk, sandstone, and natural stone.

Natural surfaces and textured materials tell the story of our ecosystem, bringing the outside in to create a nurturing space of refuge.
